The Secretary to the Govern-
ment of His Excellency General
and Revenue Departments,
Bangalore

Sir,

I have the honor to submit herewith
a revised estimate for
Rs 1134 on account of sinking
a well in the village of
Kenguntè, Holalkere Taluk.
I have the honor to state
that an estimate for
Rs 860 including the agents'
cash contribution of Rs 430/
had been originally sanctioned
by Government in their
Proceedings

2 S. No 54 Proceedings No 6668 9 dated
L.T. 54-97
26th November 1898 and the
the work was practically
completed at the end of last
year But before the stone
work was commenced
the revetments at the bottom
of the well was found to
have given way to the
detriment of the whole
construction So it was
thought fit to set right this
portion, before the stone work
was ordered to be carried
on. It is reported that the
villagers undertook to bear
the entire cost of carrying on
this extra work and have
accordingly completed the
well as per revised estimate
It is therefore solicited
that Government be
pleased to accord sanction
to the revised estimate.

2 The Secretary of State
sorely afflicted at the
extraordinary Revolutions in Government.

I have the honor to be
Sir,
Your most obedient Servant
